

MALLA REDDY INSTITUTE OF MEDICAL SCIENCES

Department of General Medicine - Publications

| Sno | Name | Designation | Topic | Journal Name | Year |
|-----|----------------------|-------------|---|--|------|
| 1 | Dr.E.A Ashok Kumar | Professor | A Rare case of eight and a half syndrome due to pontine hemorrhage - A Case Report | International Archives of Integrated Medicine | 2020 |
| | | | A Rare case of invasive pituitary macroadenoma with hemorrhage in MEN 1 syndrome-A Case Report | International Archives of Integrated Medicine | 2021 |
| | | | A rare case of medical medullary syndrome with upbeat nystagmus due to protein 'S' deficiency and hypothyroidism (Hashimoto's thyroiditis) - A Case Report | International Archives of Integrated Medicine | 2021 |
| 2 | Dr.Nisha | Asst.Prof | C-reactive protein as a prognostic maker and guidance for use of antibiotic therapy in patients presenting with lower respiratory tract manifestations in intensive care unit in tertiary care centre | panacea Journal of Medical Sciences | 2020 |
| | | | A study of Lipid Profile in Smokers and Tobacco Chewers and their Correlation with Coronary Artery Disease (CAD) in Intensive Care Unit | Journal of Medical Science And Clinical Research | 2020 |
| 3 | Dr.M Ravi Teja Raidu | Professor | A Rare case of invasive pituitary macroadenoma with hemorrhage in MEN 1 syndrome-A Case Report | International Archives of Integrated Medicine | 2021 |
| 4 | Dr.Sandeep Reddy N | Asst.Prof | A Rare case of invasive pituitary macroadenoma with hemorrhage in MEN 1 syndrome-A Case Report | International Archives of Integrated Medicine | 2021 |
| 5 | Dr.Koushik Chavalla | Asst.Prof | A rare case of medical medullary syndrome with upbeat nystagmus due to protein 'S' deficiency and hypothyroidism (Hashimoto's thyroiditis) - A Case Report | International Archives of Integrated Medicine | 2021 |

Department of General Surgery - Publications

| | | | | | |
|--|-----------------------|------------|--|--|------|
| 1 | Dr.A Sarath Chandra | Professor | A Comparison of efficacy between 0.2% of topical glyceryl trinitrate and lateral anal Sphincterotomy | International Surgery Journal | 2020 |
| 2 | Dr.K Nagesh Reddy | Asst.Prof | A Comparison of efficacy between 0.2% of topical glyceryl trinitrate and lateral anal Sphincterotomy | International Surgery Journal | 2020 |
| Department of Orthopaedics - Publications | | | | | |
| 1 | Dr.SVL Narsimha Reddy | Assoc.Prof | Prosepective study on assessment of efficacy of etoricoxib versus etoricoxib with combination of glucosamine and chondroitin in primary osteoarthritis of knee | IP International Journal of Orthpaedic Rheumatology | 2020 |
| | | | Efficacy of dynamic condylar screw for the treatment of distal femoral fractures: A Prospective study | Indian Journal of Orthopaedics Surgery | 2020 |
| 2 | Dr.Krishna Swamy V | Asst.Prof | Prosepective study on assessment of efficacy of etoricoxib versus etoricoxib with combination of glucosamine and chondroitin in primary osteoarthritis of knee | IP International Journal of Orthpaedic Rheumatology | 2020 |
| 3 | Dr. K Srinivas Yadav | Asst.Prof | Efficacy of dynamic condylar screw for the treatment of distal femoral fractures: A Prospective study | Indian Journal of Orthopaedics Surgery | 2020 |
| Department of Paediatrics - Publications | | | | | |
| 1 | Dr.A Vamshee Priya | Assoc.Prof | Clinico - Hematological Profile of dengue in children in a tertiary care hospital | IP International Journal of Medical Paediatrics and Oncology | 2020 |
| Department of Anaesthesia - Publications | | | | | |
| 1 | Dr.V Siva Kumar | Assoc.Prof | Easy Method of Ryles Tube Insertion in Laparoscopic Surgeries under General Anaesthesia: A Simple, Non Fussy and Practical Approach | Indian Journal of Anaesthesia and Analgesia | 2020 |

| | | | | | |
|---|--------------------|---------------|---|--|------|
| 2 | Dr.V Rajesh | Asst.Prof | Usefulness of magnetic bougie in comparison to a normal bougie for endotracheal placement in Cormark Lehane grade IV cadavers | Medica Innovatica | 2020 |
| | | | A Comparative evaluation of epidural clonidine vs. Dexmedetomidine as adjuvants in post-operative analgesia | Pancea Journal of Medical Sciences | 2020 |
| 3 | Dr.G Uday | Asst.Prof | A Comparative clinical study of intrathecal fentanyl and clonidine with hyperbaric bupivacaine in lower segment caesarean section | Indian Journal of Clinical Anaesthesia | 2020 |
| 4 | Dr.Revathi L | Asst.Prof | Usefulness of magnetic bougie in comparison to a normal bougie for endotracheal placement in Cormark Lehane grade IV cadavers | Medica Innovatica | 2020 |
| | | | A Comparative evaluation of epidural clonidine vs. Dexmedetomidine as adjuvants in post-operative analgesia | Pancea Journal of Medical Sciences | 2020 |
| Department of ENT - Publications | | | | | |
| 1 | Dr.Y Prabhkar rao | Professor&HOD | Comparative study of type 1 tympanoplasty with and without gel-foam in the middle ear | International Journal of Otorhinolaryngology and Head and Neck Surgery | 2021 |
| 2 | Dr.T Dinesh singh | Professor | Incidence of concha bullosa and its role in chronic rhinosinusitis | International Journal of Otorhinolaryngology and Head and Neck Surgery | 2021 |
| 3 | Dr.M Santosh Reddy | Professor | A comparative study of Synechia formation in edoscopic septoplasty with and without intranasal splints | International Journal of Otorhinolaryngology and Head and Neck Surgery | 2021 |

| | | | | | |
|---|----------------------|-----------|---|--|------|
| 4 | Dr.Y Vijaya Lakshmi | Asst.Prof | Incidence of concha bullosa and its role in chronic rhinosinusitis | International Journal of Otorhinolaryngology and Head and Neck Surgery | 2021 |
| 5 | Dr.G Abhinav Kiran | Asst.Prof | Comparative study of type 1 tympanoplasty with and without gel-foam in the middle ear | International Journal of Otorhinolaryngology and Head and Neck Surgery | 2021 |
| 6 | Dr.M Naga Chaithanya | Asst.Prof | A comparative study of Synechiae formation in edoscopic septoplasty with and without intranasal splints | International Journal of Otorhinolaryngology and Head and Neck Surgery | 2021 |
